

Whitefish, Montana and Back to Spokane

If an extended stay is in the plan, then the recommendation is to choose the Whitefish area. Whitefish has the feel of a vacation town. Although the drive through Kalispell on US93 is usually congested, slow, and annoying, the 15-mile trip up to Whitefish is (at least usually) an easy drive on a fast road.

The downside: it is a big of a long, curvy, uphill drive to get there so wandering from there to other parts of Flathead country is a bit more challenging. ▪ <p style="padding-left: 40px;">the rental office right across the road f(1e) m the lodge.</p> <p>Whitefish Lake just of City Beach and is a bit pricey (888 229-7646) but at a very nice location just a little south of the Whitefish Lake Lodge mentioned above.</p>	Lodging in Whitefish Lodging in Whitefish

Two places near town (close enough to walk) and (for this area) reasonably priced are:

- Pine Lodge is on US93 just before the city. Actually, the Rocky Mountain Lodge (aka Best Western) appears first then the Pine Lodge just a little further (but on the river.) The Pine Lodge actually has balconies overlooking the river. “Inexpensive” and “Whitefish” do not often appear together but the Pine Lodge is a good value for the area.
- The Rocky Mountain Best Western in Whitefish is at 6310 US93 South, just before the Pine Lodge, is fine, 888-563-4464. Rooms are nice and so are the people. However, they do advertise balconies which turn out to be no more than 10 inches wide.
- Aero Inn, 1830 Highway 93 near downtown Kalispell (406 755-3798.)
- Days Inn is north of town on US93 (1550 US93 North, 406 756-3222).
- Downtowner Motel is, indeed, right downtown at 224 Spokane Avenue, 888-563-4464.
